**72nd Annual  
BIBLE LECTURESHIP  
“Luke: A Gospel for the World”**

As the final decade of the 20th century begins, we are pleased that the Abilene Christian University Lectureship has served so many people throughout the world during much of this century.

The topics that have compelled the interest of our major speakers and other teachers have helped the vast throngs that have assembled to better prepare themselves for Christian service and leadership.

Abilene Christian University was founded to help students prepare for Christian service and leadership throughout the world. She has been faithful to that challenge and continues her commitment to it.

Welcome to the Lectureship. May the Lord bless us all as we work toward improving the quality of our service.

**WILLIAM J. TEAGUE  
President, Abilene Christian University**
