## FOREWORD.

We gratefully acknowledge receipt of valuable assistance rendered us by many preachers in the preparation of this list. We regret that space will not permit us to mention names of those who have aided us. We specially thank our brother publishers for the free use of their columns and for the personal interest they have shown, thus furnishing us important corrections that, in many cases, were unavailable otherwise. The Leader-Way, Word and Work, Octographic Review, Gospel Guide, Christian Companion, Christian Pilot, Eye-Opener, Pacific Tidings and Bible Student have given their co-operation in a way that is highly appreciated and merits special mention.

Many preachers, particularly among the younger ones, write us in regard to securing reduced rate certificates for traveling on the railroads. Those desiring such certificates should address J. E. Hannegan, Joint Agent Southwestern Clergy Bureau, St. Louis, Mo., with stamp, who will be pleased to furnish blank applications for the purpose. Mr. Hannegan's office has always shown great courtesy, kindness and patience also in receiving and passing on applications, and in issuing permits when the rules of his bureau are regarded. Preachers in good standing who devote their entire time to the ministry of the word are entitled to the courtesies of the railway companies, but in no case is a preacher eligible for reduced rate certificate who has any other profession, calling or occupation, and who does not depend entirely on preaching for a livelihood.

The list of preachers in the churches of Christ is revised each year. Great care is taken to secure accuracy in making up the list. Every preacher whose name appears in this Year Book is requested to inform us of any changes to be made in the New List.

## FIRM FOUNDATION.

Established 1884.

The Firm Foundation, though younger than several papers among the disciples, has the largest circulation of all loyal papers. It has always stood in the front rank in the plea for the restoration of primitive Christianity. It contends for the church of God as the only divine religious institution, and thus the only one that merits divine sanction as a means of converting the world. It has always urged that men must hear what God says and do what he requires with a correct motive, in order to expect the forgiveness of sins. Many interesting discussions on current issues relating to the Christian system have been conducted through its columns. Its policy is to state clearly and fully the position of opponents, or, preferably, to permit them to do so in their own language, then to test such position by the word of God. It is the settled conviction of its managers that no doctrine should be tolerated that is at variance with the plain teaching of the Bible, and that it is folly to endeavor to extenuate the condition of those who advocate false systems of religion, or who may render but a partial obedience to the gospel of Christ. It is premised that the law of God which converts the soul is perfect, that any mutilation, alteration, addition, subtraction, perversion, substitution or modification whatever, renders it imperfect, and thus cancels its power to save; that, on this account, man's obedience should be without partiality or reservation. Courteous criticisms are always welcomed, and critics are treated kindly and fairly. A position that will not stand the test of criticism should be abandoned. Besides its five editors, a large force of other capable writers contribute regularly to its columns. The regular subscription price of the paper is one

dollar per year, paid in advance. The Firm Foundation consists of eight large pages, and is issued weekly. It contains much interesting news each week from the evangelistic field. Communications and remittances should be addressed to Firm Foundation Publishing Company, Austin, Texas.

## THE FIRM FOUNDATION PREACHERS' NOTE BOOK.

Evangelists, teachers, and others have found it the most useful book for recording notes, sermons, essays, and Scriptural references of all kinds.

In appearance the book looks like a Divinity Circuit Bible, and therefore does not make the carrying of sermons or notes as conspicuous as would any other form of book. It has no printed matter inside and has no lettering on the outside cover. Preachers can use the book to record their sermons, and will find it more satisfactory to lay the book open before them when delivering their sermons than the use of loose memorandum sheets, and by using the book for this purpose it also preserves their sermons and notes in substantial form.

**HOW THE BOOK IS MADE.** The book contains over 500 pages ruled with horizontal faint blue lines, thereby making it equally suitable to those who like to write on lines and those who prefer a page without lines.

**BINDING.** The book is bound in French Seal, Divinity Circuit style, round corners, red under gold edges, and has silk marker.

**ALPHABETICAL INDEX.** We also prepare the book with an alphabetical index in the back of it, so that by numbering the subjects entered in the book all such subjects can be indexed for ready reference, or the book can be paged and subjects indexed by pages—or both.
