Dear Steve:

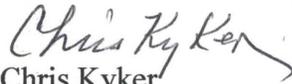

Congratulations on being named Editor, TSHL Silver Bulletin. You join nine others who have served since 1987. I've had the opportunity to know all of them and worked with most.

Enclosed are two notebooks from the TSHL Archives containing copies of the Silver Bulletin 1987-2013. It's a remarkable history of TSHL. Bill Sagstetter, editor, 1996-2003, was a newspaper editor. His editions reflect his writing and editing background.

You may want to study this collection at your leisure and return to me when finished. I have been working on the TSHL and TSHL Foundation archives for the past 4 years, trying to codify all papers and documents. It's fascinating and inspiring to preserve primary documents in notebooks and filing cabinets/boxes. . . a treasure for some doctoral student sometime, somewhere. The resource for TSHL history is obvious.

It's a joy to work with you.

Sincerely,

  
Chris Kyker  
Speaker Emeritus
