About this collection

Title: Organizational Vertical File

Creator: Center for Restoration Studies

Identifier/Call Number: REST--VF--Org

Physical Description: Two four-drawer filing cabinets

Dates (Inclusive): 1950s-2020

Dates (Bulk): 1970-2010

Location: Center for Restoration Studies

Language of Materials: English

Scope and Content Note: This file set preserves gathered information on 489 organizations, entities, businesses, non-profits, and missionary, educational, and benevolent institutions affiliated with Churches of Christ, Christian Churches and the Christian Church (Disciples of Christ). The file set includes clippings, articles, promotional materials, newsletters, photographs and ephemera.

ACU Library staff began this set of files in the 1980s. It complements four similar sets of vertical files, all housed as part of the collections of Center for Restoration Studies: Biographical Files, Congregational, World Churches Files, and Subject Files.

In 2018-2019 arrangement and order was improved by removing and cataloging many published tracts and pamphlets. After weeding non-Stone-Campbell-related material, many of the files were refoldered and the entire set was relabeled and an inventory created.
