Bell, Fla., Jan. 12, 1909.

Dear Bro. Galson,

Gainesville, Fla.

I've concluded that you brethren don't need a meeting there and that may be you would like to help support a mission meeting somewhere. As I come from there here I met on the train a gentleman of Ocala - only a sinner - who urged me to come there - Ocala - and hold a meeting. At first I thought nothing about it but since being here some time, I met him in Bell and he very pleasantly urged me to come. Said he had heard since being at Bell of my work here and wanted me to come and hold a meeting at Ocala. I asked about the work there and found out as best he knew only the digressives are there and I told him they would not allow me to preach in their house. He seemed, as I told him why, to become the more interested and said I'll see you get a place to hold a meeting and you come to my home to make it your home there. Who knows but that it's a Macedonian call? Would you care to help us in Macedonia? Acts 16:9. Our meeting is still going. Have been baptizing some in the "Suwanee River". The brethren at Lake Butler write they are anxiously waiting for me there. The Midway brethren were up and engaged me for a meeting there. Fraternally, J. S. Estes.
