Safety Harbor, Fla., Jan. 20 '09.  
Mr. D. R. Calson,  
Gainsville, Fla.

My dear Bro.

I have just received a letter from Bro. M. A. Jones, Highland Home, Ala. relative to our school. He states he had expected a letter from you but had not yet received it. I had expected you <sup>have</sup> ~~would~~ written some of those brethren before now but do not remember that I gave you the above address. Will you please write Bro. Jones at once. I shall send his letter to you. Please explain to him why the school closed at Bartow. I thought I had told him but guess I did not make it clear.

I have an option on the Bartow property till the last of Jan.

but do not see now how we can  
close a deal by that time.

I hope you and family are  
well. I so often think of the pleas-  
ant stay I had with you. How  
is Sister Barnes? How did young  
Barnes (I forget his name) come out in the  
contest - in front I hope.

I guess you know I started  
to Gainsville the 14<sup>th</sup>. Can't under-  
stand why the Dr's letter was not  
mailed till the 12<sup>th</sup>, and that at Jack-  
sonville. I sure did "miss put me."

I have but five more weeks  
of school.

With best wishes and  
Christian love to you and family  
I beg to remain

Yours fraternally,  
D. O. Bushong

Please give me the address  
of the Bro. who is interested  
in establishing a school in  
the state. You doubtless remember  
of telling me about him. I  
have forgotten his name.

walk too far. I do hope that if, it is the Lord's will, we may get  
the property, and get the school in operation. Some say that it will  
be harder to get a school started there now than it was at first,  
and that if the school there failed once, it will do so again. Of course,  
that is not necessarily true, but it would do well to consider that  
as we proceed. I hope to hear from Bro. Colson soon.

Write to me often. Love to Victor.

Truly and sincerely,

I have decided to send only  
this much of Bro. Jones' letter as  
I might need the other part.
