Dear Bro,

I learn from Bro. Hines who is conducting some special evangelistic meetings here that you are in the real estate business. I have several times passed through your city and been favorably impressed with the general appearance both of the city and surrounding country. I have a Bro. in law living at Coconut Grove below Miami that is desirous of securing a modest home of a few acres of good land where he can raise bees and chickens and do some truck farming. He needs a dry and warm climate as he has some bronchitis, wife and I are spending the winter here but expect to return with the last of March. If you know of a house and few acres of good land near Gainesville that can be bought at a reasonable price I shall be glad to run down and look it over and go over the problem with you, as I am a stranger to you I might say that for many years I was a general evangelist in the Church of Christ planting a number of churches in Canada and New York State and holding a number of meetings for the Plum Street Church of Christ in Detroit. Wife and I have traveled around the world and I did some preaching for the brethren in England on our return trip. If I can be of any service to the cause of Christ in your city I shall be glad to arrange to be with you over at Lords Day in March and tell the story of the love of Christ freely without money or price, or I will run down sometime through the week about the middle of March and talk over matters with you and return same day. Cordially W. H. Hertzog.

Kindly let me hear from you at 147 West 9th Street Jacksonville Fla. W. H. Hertzog.
