Mr. T. B. Larimore,
Murfreesboro, Tenn.

Dear Brother Larimore:

Your kind letter with enclosure of the two bottom dollars for our proposition, was duly received, for which I thank you. We made another deal for a piece of land yesterday, and from now on, we intend to get things lined up as fast as possible. We will be glad to have Sister Larimore come down and spend some time with us, and will take great pleasure in showing her our country, especially Crystal Creek and the proposed College campus. We trust that she will be inspired to such an extent that the closing chapter on Florida will fairly sizzle with enthusiasm for our great state.

Things are getting down to their normal condition since the election, I am glad to say. Our folks are about in their same condition of health as when you were here. I trust that you and Sister Larimore will continue to be well and happy. Also I hope that your "jaw-ache" has left you.

Sincerely and fraternally yours,

Dictated B.R.C.
