Dear Sir and Brother,

Your appreciated letter received several days ago. I am glad indeed the prospects are so bright for the College. Just at present I cannot promise more than that I shall do my best to be a patron of the school, I hope by autumn of next year. I go next week to Tennessee on a vacation. If possible and the brethren desire it I will come by and look over your school property and preach for you Sunday July 28th. Write me at Bell Buckle, Tenn. after July 5th. Kindest regards to all the brethren and friends.

Fraternally yours,
Geo. B. Hoover.
