July 31st. 1913.

Dear Brother Larimore:

I have several papers that have been coming here addressed to you, and would like to know what disposition to make of them, and shall hold them to hear from you. It is quite a bundle, but I would be glad to send them to you, if you want them.

I hope that you are getting along well. I have been extremely busy ever since I saw you, I am glad to say, and business is good. I will be glad when the time comes for you to come back here, as I want to see and sister Larimore again, here in Gainesville, for we miss you much.

How are the prospects for the laying of some one on the College proposition to close it up? I certainly would be greatly pleased if some kind friend with the cash would come to our rescue.

I heard from Jasper Walphure that Bro. Isaac Tackett, had some one who was going to let him have forty thousand dollars to put into a school proposition. Perhaps you could get in touch with him and see what's doing.

The days are warm but the nights are pleasant so we manage to get along well, since we can sleep. Brother Warren Colson has been preaching for us several times since you left and the Sunday School continues the same as before, but there are fewer of us present.

Wishing you all success and happiness.

I am as ever,

Yours sincerely,
