Windsor Dec. 27/10

Dear Brother Colson:

I was very sorry to find you so coincidentally under the weather; and afterwards regretted that I had asked for the appointment "after dinner." They remembering the expression might mean one thing to you and another to me, I was not surprised at not seeing you at 2.30 - I was due to go home before 3 P.M. Dinner with friends, and then is gone more quickly than at the restaurant's half hour. I trust the longer rest was good for you, as it was enjoyed by me.

What is the Lord's will in this matter should determine both of us. It has been my desire for many months and the Lord grants me the "desires of my heart," for the reason assigned by the Psalmist.

Dear Brother Colson:

I was very sorry

to find you so evidently "under the weather," and afterwards regretted that I had asked for the appointment "after dinner." Then remembering the expression might mean one thing to you and another to me, I was not surprised at not seeing you at 2:30 - I was due to go home before 3 P. M. What is the Lord's will in this matter should determine both of us. It has been my desire for many months and the Lord grants me the "desires of my heart-" for the reason assigned by the psalmist.

These are days when few souls
are to be reached for salvation
and eternal (the Age) life, but
the Saints can be built up for
God's best and their "abundant
entrance" into the Heavenly Kingdom.

1 Pet. 4: R.V. I desire to preach a
full - entire gospel - all the good
news that the child of God may "reach
after full growth, maturity; ever
remembering that we are to spend
an eternity with our Lord, and
our joy there is dependent on our
growth here.

I know much of
His love & favor and the words of
Saint Paul ever ring in my
ears - "Comfort - exhort - one another
with these words" - viz. Our Lord's return
& our blessedness - 1 Thes. 4: 18 R.V.

Every watchful child of God must
know we are in the "last hour" - 1 Jn. 2: 18
even in the last "half hour" Rev. 8: 1-5.
The "signs" abound of the Age end!

We can both learn more
in a short talk, and a few questions
& answers, than in all the
writing we can give time to.

I hope you will speedily
recover strength, and if in a
few days I am in G. we can meet.

I know ~~nothing~~ ^{save - no pastor} of your church
affairs, but pray for you all,
those that can be reached; and
that in a long afternoon, much
good seed may be sown, and
souls built up. Seed may now
be sown that will bear fruit in
the tribulation period. Count
up the horrors of the last 2 mos
as you have gathered them from
partially readings of the World's News.

I don't dwell on the horrors, but
point to them as "signs."

Yours in the love of Jesus

Geo. M. Howells.

I should give an
illustrated diagram talk after every address.
A sign - very noticeable - is the giving heed to living spirits.
