Gentlemen:-

We have received your letter of March 2nd, enclosing deed executed by W.P. Clyde and Wife to the trustees of Christ's Church at Janney, and have noted the changes you now request be made in the form of deed. In as much as these corrections are only made necessary through the carelessness of your people in errorounesly describing the property in the original form you sent us, and of which the deed referred to is an exact copy (omitting the warranty clause) we request before having another deed executed, and putting Mrs. Clyde to the quite considerable trouble and inconvenience of again appearing before a Notary and signing same, that you thoroughly go over your records, and give us your assurance that these are the final changes that will be necessary.

Yours truly,

*W.P. Glyde, Jr.*
