Dear Bro I take pleasure in letting you know that I am getting along splendidly I went ^{to} the operation alright and ~~can~~ attend to my religious duties now with a degree of satisfaction I heard through one of the Nurses at Sanitarium that Bro Perry Colson was quite sick I sincerely hope he has much improved by this. I hope your work in Sunday & Church is keeping up with the same interest as when I left as the work was advancing nicely. I hope you and Bro Bowers get the S. S. Times regularly I am going to mail ^{you} a copy of "Word and work" which will show the progress of our Church work here I would ^{like} if you will a few subscribers for the paper you can keep in touch with the work that is going on in New Orleans and else where beside help the cause by sending my love to the brethren and sisters hope to hear from you soon
