Book Review: I LIVE IN A TREE TRUNK

I LIVE IN A TREE TRUNK is a colorful picture book that illustrates where different animals live. The book discusses den dwellers, nest dwellers, tree dwellers, house dwellers, and water dwellers, as well as animals that live on a ranch or in a dam, drey, or web. The animals and people included in the book are full of life.

This book brings many diverse characters and animals to life through bright, colorful, digital illustrations. The vocabulary is simple, repetitive, and appropriate for young children.
