Dear Bro Tolson

Yours just Recd. Glad to
hear from you.

Can't say now when I can find time
to come up but will try and let you
know as far in advance as possible.

Couldnt do anything only to form an opinion
as I havnt a \$ that I could invest and
probobly wont have one for 12 month.

Ass meeting closed without an addituous
but I am greatly encouraged as Bro Cameron
did his part well and the good seed has
been sown. Sectarianism has been de-
nounced by preaching simply the word
and showing what God (and not man) says do.
Will always be glad of any information
you can give. Remember wife & I to
Bro Harrison although I dont suppose he
recognizes us only through correspondence.

Yours Fraternaly

Bro Colson

I first thought I wouldn't say anything to you about it but maybe it will be best to tell you.

Some one has advanced the idea that in all probabilities this school proposition is a scheme for your abstract Co to make money on the real estate holdings. I give you this confidentially hoping that you will be able to use the information for good.
