Mr. B. R. Colson.

Gainsville, Fal.

Dear Sir :-

Your letter of the 5th inst addressed to Mr. H. H. Richardson, Secretary of the Board of Trade of this City has been referred to us,

We would be pleased to have a description of the property you intend laying off in an artistic sub-division, so we can get some idea of the shape this lays in, or better still if you have a blue-print of it showing approximately how the creek runs through it, this will give us something of a foundation to work from in getting up a sketch to what we think you would want.

Yours very truly.
