Dear Bro. Coleson,

My plans for the summer are now about matured, and I shall be with you to begin the meeting, the Lord willing, June 12th. I shall arrange to stay as long as two weeks if the interest in our work requires it.

I find great pleasure in the thought that our work has been blessed till it seems imperative that I give more of my time to it, and I ask an interest in the prayers of the brethren in my behalf.

We have had two good mid-week services here this week - one in English and one in Spanish. We feel much encouraged over the prospects.

Of course you will do all you can to get the meeting well announced and to build up the Lords day services in numbers and spirituality.

With best wishes and kind regards to all I remain yours in Christian Love
