PLANT CITY, FLA., Feb 22, 1912.

Dear Bro. Larimore:

I herewith enclose a part of Bro. King's letter. I understand the part that will explain why I send it.

I am teaching here now. My school is small but, <sup>about</sup> all I expected it to be this winter. I am expecting to continue the work if the Lord will.

If you are expecting to start Bibb school in Fla. I shall be pleased to know your plans etc. If you care to know I shall be glad to put my plans before you. Could you not come to Plant City while you are in the state. We would be glad to have you preach for us if suitable arrangements could be made.

I shall be delighted to hear from you at your earliest convenience.  
Your brother in Christ  
J. Tolbert Bushong.
