Book Review: REPEAT AFTER ME: BIG THINGS TO SAY EVERY DAY

Readers can follow the self-affirmations in this book and find encouragement during times in their own lives when discouragement comes. As the title suggests, this is a read-aloud for anyone to enjoy repeating! This lovely book is filled with affirmations, taking the reader through a series of statements about self-love and esteem. The words are simple and poetic structures that any family will love to say out loud and may even use to create a routine of self-declarations that follow examples in the colorful illustrations. The artwork contains scrapbook-like elements that are interesting and creative. Add this title to your classroom collection.
