Dear Brother Calson I
received yours of the 28. In
my reply will say I am not
in politics. I do not talk
on them much. I don't
think they will effect
it Christian much any
way. It does not make
any difference with me if
the man is elected
as far as I am concerned
you know the whole thing
is rotten and will be swept
away in the last day
and these things does
not go with Religion
and we should ^{not} be intongled
in them
