Joy TO THE WORLD

Gifts For The King

Your generous cooperation with our "Gifts for the King" program each year has been a wonderful help to our College. Our growing enrollment and increased graduating classes has been made possible through your generosity.

What better way can we honor the King and exemplify His spirit than through our giving to His work.

Please watch for our letter giving the details of this year's program.

YOUR GIVING IS OUR LIVING

If you wish to begin regular support of the ministry or wish to increase your regular CDG support, please clip out the coupon below and send it to the College with your gift.

God bless you for your generosity.

Sincerely in Christ,

Harold E. Miller

One question that is asked of me most often by supporters of the College is "What is the greatest financial need of the school?"

My response is that we have many needs but that I believe the **greatest single need** is support for the **General Fund** operation of the school. This fund pays faculty and staff salaries, utilities and general operational costs. If this fund is not adequately underwritten, we cannot operate satisfactorily. If salaries are not paid, we cannot keep our professors and staff. Without them we don't have a College.

One of our programs for helping to underwrite the General Fund is our **Daily Dollars Fellowship**.

We simply take our yearly General Fund budget and divide it by 365 days to arrive at the cost for one day's operation of the College.

This year's cost for one day is \$780.00. Breaking this down into monthly gifts it amounts to \$65.00 per month for twelve months. A half a day would be \$32.50 per month and one fourth a day is \$16.25 each month.

Every gift is greatly appreciated. Daily Dollars Fellowship giving is regular monthly support that carries us through the "slump" periods of the year. Some give two days support, others a day and a half, still others are able to give a part of a day. Whatever you can give regularly is deeply appreciated and enables the program to move ahead.

If you wish to begin regular support of this ministry or wish to increase your regular DDF support, please clip out the coupon below and send it to the College with your gift.

God bless you for your thoughtfulness.

Sincerely in Christ,

Harold B. Milliken

FERGUSONS ORDAINED BY ANSLEY CHURCH

Left to right: Loren Swedburg, K. Sadler, Gaylord Slingsby, Keith Hogg, Cleon Moddy, Harold Milliken.

Gaylord Slingsby presenting ordination certificates to Jim and Rick.

Sunday morning, September 19, the Ansley Christian Church ordained their minister **Jim Ferguson** and his son, **Rick Ferguson**, to the ministry of Christ. President Milliken and Dean Loren T. Swedburg represented the College in the service.

Jim Ferguson has been ministering with the Ansley Church for nearly twenty years having begun while a student at NCC. His son, Rick has been working with his father and assuming the preaching schedule at Ansley and Miller for nearly the last three years due to Jim's illness. Rick is presently enrolled at Hays State in Kansas taking a Masters Degree

program.

Mike, an older son, took work at NCC and is now married and working in Ansley. Jerry, the youngest son, is a freshman in NCC. Denise, the only daughter, plans to attend the College upon graduation.

Jim and Bonnie Ferguson have personally had a great ministry for the Lord and continue to serve in a great way. Through their children their witness reaches out in ever widening circles.

We pray God's richest blessings upon this marvelous Christian family.

Greeley Christian Church Shares

For more than ten years the brethren of the Greeley, CO Christian Church ministered to Dr. Ora B. Peake who was an aged shut-in. She had been a professor on the campus of the University of Northern Colorado for more than 36 years. It is stated that she was the first woman to be graduated from the University of Michigan with a Ph.D. Dr. Peake was not a member there nor was she ever able to attend services. The church found her and ministered to her as a part of their outreach of concern.

Upon her death she left her entire estate to the Greeley Christian Church. As a continued expression of their concern the Elders and Deacons decided to share a portion of this fine gift with three area Bible Colleges: NCC, Platte Valley and Intermountain, which they support on a regular basis.

NCC received their gracious and thoughtful Memorial gift of \$2,500 November 3 which has been designated to the purchase of pews for the Homiletics Chapel being completed in the old cafeteria in the Administration Building.

The NCC family expresses sincere thanks for this unselfish sharing of God's gifts to Greeley Christian. **Mike and Marlene Williams** minister with these fine brethren.
