Carol Davidson Completes Fifteen Years of Service With NCC

Carol Davidson

Carol Dietz Davidson began working with NCC in the fall of 1961 and resigned effective January 1, 1976 completing nearly fifteen years of service with the school.

She is an alumnus of the College and was working in the city. We needed a Cafeteria Manager and Carol came to work with us in the fall of 1961. In the fall of 1970 she transferred to the Development Department and continued there until her resignation in December.

Our College family wishes to express its appreciation for her capable and faithful service. She will be missed.

Her many duties are being covered temporarily until we can hire replacement personnel.

The College faculty and staff gave an appreciation coffee for her in December and she was presented a silver service.

Carol and Phil Davidson will be living in Norfolk. Phil works with an electrical company in the city.

Carol Davidson observing part of the silver service presented her by the College in appreciation for her faithful work.

New Market, Iowa Church Shares

The brethren at New Market with **Loren Daly**, as minister, are a very unique congregation. They have a sharing spirit that is seldom matched as is demonstrated by what they did recently.

Brother Roy Snodgrass was a member of that congregation. In his will he left a sizeable bequest to the church. The brethren could have thought of using it for a number of projects of their own locally, new building, etc. In fact, they probably did think of it. But after prayerful thought and discussion, in their own words, they "made the decision to give \$10,000 to each of four Bible Colleges." Also a large gift was made to a Children's Home.

The letter accompanying the gift states, "This money is being sent out with prayers that it will be used to the glory of God and may result in the salvation of precious souls as it sends the Gospel of Jesus into all the world through those trained in Colleges and those given Christian training and love in the Children's Home.

May all praise be given to the Lord for having provided it and to the memory of Brother Snodgrass for having left it for the cause of Christ."

What a marvelous, generous Christian spirit! Surely God will richly bless them and the ministries with which they shared their blessings.

NCC students, **Roger and Joey Fletcher**, serve as youth ministers with this fine congregation every weekend.

May we continue to work together to the glory of God and the edification of His church.

To Quiz the Championship Rounds at NCC Bible Bowl Tournament

Gary Coleman

A special treat is in store for this year's NCC Bible Bowl Tournament participants **March 18-19**. Gary Coleman, who heads the teen convention for the NACC and is official quizmaster for the Championship Round of the NACC Bible Bowl, has consented to attend our tournament this year and will quiz the semi and final championship rounds.

Last year there were 22 teams from six different states that participated in our tournament. The outstanding feature of it all is that **Dodge City**, the team that won our tournament **went on to the NACC and became National Champions!**

It could be, that, just maybe, someone will upset the National Champions at our tournament this year.

Your deadline for registration for participation in this year's tournament is February 15.

Scholarship Funds Aid Needy NCC Students

Our College is young compared to some of our sister schools and has limited Scholarship Funds to assist students in need. Therefore we must be very discerning in giving scholarship monies to the most needy.

In the earlier years of the College there were no such funds. More recently brethren have found satisfaction in helping young people attain a Christian education that they might more effectively serve Christ. Some send in cash to be awarded to particular students. This is very helpful. Others have set up permanent Trust funds which provides for the use of the income from these monies with the principal remaining intact to continue to earn interest to be used year to year. The College, in this latter case, designates the recipient of such funds. The greatest need and a willingness to help himself are two prominent factors in determining the student who shall receive the award.

Here is the list of the permanent scholarship funds working yearly to encourage needy and deserving young people prepare to preach Christ.

Bloise C. and Helen R. Bell Scholarship Trust
 Larry Dietz Memorial Scholarship
 Bertha Dixon Scholarship
 Guila M. Dunning Memorial Scholarship Trust
 Frank and Donna Beelaert Scholarship Trust
 Hutton Endowment Scholarship
 Othello McKelvie Scholarship
 Myles Dana Patton Scholarship Fund
 W. T. Thompson Memorial Scholarship
 Snow Scholarship
 Anonymous Scholarship for Needy Students
 Ryegate-Mantor Scholarship
 Mrs. Florence Marrion Memorial Scholarship

Two churches have made scholarship money available. They are the Denison, Iowa Church of Christ and the Clearmont, Missouri Christian Church. The latter loaned a sum and the interest from it is available for scholarship help.

All of these along with all other scholarship help is a real blessing to the kingdom work. If you might be interested in adding to one of the above permanent funds or in setting up a Scholarship Trust Fund of your own, please write President Milliken at the College.
