Mr. J.H. Bolton

Dear Sir: I ren you at this hour asking you about that lot to build a church on. Can I get it to let me know or what you charge me to put a church house on the lot, figure on it, and tell me what will you build this house. And sell the lot for if cost. The lot and house will be yours until it's paid for. I hope to hear from you at once.

Yours Truly
