Mr. B. R. Coleson,

Gainesville, Fla. ✓

Dear Sir & Brother,

I held two meetings while in Tennessee, and they lasted longer than I had expected, and so I was not able to come by Gainesville. I was unable to visit Henderson, while in Tennessee, but I heard much praise for Freed's school. I hear it is likely the Dade City brethren may become interested in the Gainesville school. You might put M. S. Howard of that place on your mailing list. I do not think it likely they will invest, but they may send a student or two. Will be glad to hear occasionally how the work is progressing.

Fraternally yours
