Dear Bro Barney,

Your Postal received some days ago, and was glad to get it. We were glad to hear about that nice, new daughter. We would like to see her, and in fact, to see all of you. We heard from Mrs Brown that Bro Perry was better again. I do hope that he may recover and be spared to his family and to the little Church. He is so capable and can be so much benefit to the Church. Remember us to him also to Bro Willis. Brother Barney, I have a friend here, Mr A. W. Phillips, who is an attorney and he wants some information from the Court record at Gainesville. Mr F. Prescott Bullock was appointed Curator of the Estate of Mrs Fisher died some time ago, and Phillips is attorney for the widow, who resides in this County. He tells me he has had some Correspondence with <sup>Bullock</sup> Fisher

but nothing very satisfactory. He has a letter from the Gainesville Natl Bank stating that Fisher had some money on deposit with them at time of his death, which has since been withdrawn by Bullock. It will not be necessary to make any inquiry at the bank as their statement of Fisher's business with them is full and complete. He simply wants to get the status of the case as shown by the Court record. Now, if you or Robert Bowers will take time to look it up and write me soon, I will appreciate it, as will Mr Phillips. He appealed to me thinking my acquaintance in Gainesville would help him. I told him I thought I could get it for him. With kind regards to all our friends, I will close.

Very truly Yours,
