Dear Bro

I received your very kind letter some time ago and was very glad to hear from you and also about the great enterprise you people are about to embark in. I believe it an opportune time to launch such a scheme and to be a financial as well as moral and spiritual success I think we as a peculiar people are behind the times in institutions of that kind where heart as well as the head must be educated - we are doing fairly well with Church affairs and expect to do better in the near future I enclose notice of "Special Offer" may be some one may wish to subscribe. Wishing you much success spiritually + financially

Yours sincerely J R Winder
