Dear Bro. Colson,

Your kind letter received several days ago. I should like very much to come up to see you as you suggest, but fear I cannot do so real soon. Can you any time soon put the Business Department matter before me in the form of a definite proposition? Is it your plan to build dormitories? If I come with my family, could I arrange for Mrs. Hoover to have charge of a dormitory, or take boarders?

I believe there are good prospects for the success of a Business Course, and should I take up that work I will use my utmost endeavors to make a complete success of it.

Hoping to hear from you at your convenience I remain  
Fraternally yours  
Geo. B. Hoover.
