October 11, 1912.

Mr. Frank Pirtle,

Sullivan, Ind.

Dear Brother Pirtle:-

I am sending you under separate cover some information in reference to Gainesville and Alachua County. I am doing this because I have a card from Mr. S. Chambers of New Orleans saying that you were interested in Florida. Now if you expect to come to Florida at all I can assure you that I do not believe there is any better place in the State to settle than here in Gainesville. Gainesville is a substantial little city, the best interior city in Florida, the home of the University of Florida and U.S. Experiment Station and Farms. We also have a very fine public school system, and within the near future we expect to establish Dixieland College with Brother T.B. Larimore of Nashville, Tenn., as President, and we are expecting a great many of our people down from Tennessee, Kentucky Arkansas and other places, and we are sure that you would find this a very congenial home in which to live.

Please let me hear from you as to when you will be down. I would be glad to give you any information possible.

Yours sincerely,
