Dear Bro Larimore:-

No doubt you will be surprised to hear from me. but I desire some information and knowing you as I do, I believe you will be ready to assist me in any way you possibly can. It has been quite a while since I saw you in Dickson. I am now located here, and working in the store and preaching (or trying) every opportunity I have. but Bro Larimore I realize I need some more education, and I am not able to go to school. It is my hearts desire to preach the glorious gospel of the son of God. and I want to know if you can suggest a way in which I can get a little more education. Or do you know of a bro in business who I could get a position with in a good location and work and preach on Lords day. I can give references to any bank or business house in Dickson, as to my business qualifications and ability. I am now employed in the clothing shoe & Gents furnishing store
