in its purity and primitive

state ever willing to take thus

sayeth the Lord.

I only wish I had the

command of words

to express myself for

you success you can

rest assured that

There is only in the
low Star State wishes
and prays for your
success.

I have for a long time
wanted to live in Fla,
and my wife is our
anxious also.

Now the Lord willing if
we can dispose of our
little home state &c
we will probably be
with you as this dry coun-
try is so uncertain
for a farmer, to
succeed as we have
had three almost flat
failures.

I notice since starting
to write this that the
prospectus is addressed
to my son J. D. (Dan)
Simpson who is now
at Abilene in the
Christian College studying
for the ministry has
been preaching for a
year or so the best he
could with the limited
education he had and
wishing to spend his life
in the masters cause
wants to go to school 3
or 4 more years.
But I fear on account
of a slight kidney trouble

he will have to change
water, as the water here is very
hard and disagrees with him.
I want him to go to Fla.
Now will you please let
us hear what you think
would be the chance for
him to get work there
either preaching or teaching
vocal music, out there.
I would like him to
come and see before
we dispose of our little
80 acre farm here if
he could char expenses
while there,

Yours in Christ,
I. S. Simpson
