Book Review: DIWALI: A FIRST LOOK

DIWALI: A FIRST LOOK is part of the Read for a Better World series, which is an inclusive literary collection. Readers may see themselves or may be helped to understand that they are part of a big, beautiful world of different people. This book is for very young readers. It describes an Indian holiday called Diwali, or the Festival of Lights. The photographs capture the food, fireworks, and family gatherings. Throughout the book, questions are asked that help the reader find something in common with this holiday.
