Mr. T. B. Larimore,
President Dixieland College,
Gainesville, Fla.

Dear Sir:-

I understand you have acquired a very desirable tract of land at Gainesville for the location of your college.

If you desire to have a ~~map~~ plan made locating to best advantage, all buildings so far as possible present and future, with walks, driveways, and a general scheme of permanent ornamentation, I would be pleased to consider your requirements, and make you a definite proposition.

A carefully designed plan at the start would not only be a great convenience in directing future development work, but would be genuine economy, as it might be carried out in part each year as desired, and when finally complete all would be in harmony.

I would be pleased to hear from you if interested.

Yours truly
