What does this cotton  
cast produce it per  
bale any more than  
Cammass cotton?

What does this land  
cost per acre? How  
much will the land  
produce per acre?

Are the summers  
very disagreeable?

What will these lots  
cost in Dixie Land

If these questions will  
be answered through the  
papers all might

an other question or  
to ask any writing  
again. If one or more  
parties should want  
to go there & could  
not make arrange-  
ments to get there  
by the first of Jan. 1  
1913 (as that is the time of  
selling the lots) on ac-

their properties, what  
would be the result?  
He would not want to
