Nashville, Tenn. Nov. 22, 1912.

Bro. T. B. Larimore,  
Gainesville, Fla.

Dear Bro. Larimore:

I am receipt of the paper, "Our Florida Friend", which was mailed me, and I am very much impressed with the proposition at Gainesville, and would like to get more information from you regarding same. I have for a long time had a desire to find something to do in Florida at which I could make a living for myself and family, and at the same time be able to preach the Gospel to places that need it.

I have been doing office work for the past ten years, and as you know, what preaching I could during spare time. Most of my work has been stenographic work, but there is hardly any clerical work that I have not done during the time. I would like to know what I could get to do at Gainesville, in order to make a living.

Also I do not know whether or not you are going to have a commercial department in the College there or not, but if so I have had experience teaching this line, teaching such branches as shorthand, typewriting, spelling, book-keeping, actual business, etc.

Would also like to know on what terms the five acre tracts are to be sold, how much they are to cost, and if in your opinion one could make a living on one of them.

I would appreciate it if you would write me on these points, telling me candidly just what you think of the matter, and I am inclosing herewith stamped envelope for reply.

Hoping you and Sister Larimore are both well, and thanking you in advance for the information asked for, I am,

Your brother in Christ,

1813 Cephas Ave.
