## Book Review: FIREFIGHTER BILL & CATCH THE CRAB

Young readers will get two stories in this book. Firefighter Bill helps everyone get out of trouble, but what happens when Firefighter Bill gets into trouble?

CATCH THE CRAB is a funny story about a little girl on the beach. She finds a crab and then loses it and digs the whole beach up looking for the crab.

Young readers will enjoy these two delightful stories. The text is simple, and the illustrations are bold and colorful.
