Book Review: STARS AND OTHER STORIES, THE

In the second installment of the adventures of Bear and Bird, the two best friends have a falling out. They can't quite remember why, but each is sure that they need a new best friend. Bear sends an anonymous letter floating down the river in hopes of finding this friend. He doesn't know it, but Bird finds the note. In the end, they find out that even though they have disagreements, they can still be best friends.

This is the second in a series about Bear and Bird. The stories provide a wonderful introduction to chapter books, having very short chapters. These are excellent books for newly independent readers.
