OUR FLORIDA FRIEND
Gainesville, Fla.

November 23, 1912.

Mr. A. J. Warren,

Denver, Tenn.

Dear Sir:-

Your letter to Mr. & Mrs. Larimore has been referred to me, and I see that you are interested in Florida. I am glad to know this, and hope that you will come and spend the winter with us. I do not think that a round-trip ticket would cost you more than about \$30.00, and I believe that the change of climate and new associations would be a good thing for you. I think that it would be best for you to come down here and look it over and decide for yourself whether you want to settle here or not. Mr. and Mrs. Larimore think that it is the best place in the country in which to live, and I believe that when you come to look it over you will sell your \$6000.00 farm and come down and invest in Dixieland College property, and spend the remainder of your days in more comfortable circumstances.

If you are interested you had better make your arrangements to come soon, as we are getting many inquiries and we want you to get one of the lots if you like them. The price of our lots is \$1000.00 each.

Yours sincerely,

Business Editor.
