Mr. Chas. F. Warner,

204 Masonic Temple,

Jacksonville, Fla.

Dear Sir:-

Your letter to Mr. Larimore has been referred to me for reply. I would like to get some idea of your charges for planning a college campus say of about twenty acres with reference to landscape beauty. For the present there will be only one central building on the campus, although of course there should be provision made for other buildings as well as drive-ways, walks, flower-beds, grass-plots, etc. The land is perfectly level and naturally very pretty, and there would be no grading or any laborious work in connection with it that I know of.

Of course we would like to have some idea about prices, etc., before we should go into it, and would like to hear from you.

Yours very truly,

Business Editor.
