OUR FLORIDA FRIEND  
Gainesville, Fla.

November 23, 1912.

Mr. T. E. Tatum,

Hallsville, Texas.

Dear Sir:-

Your letter to Bro. Larimore has been referred to me for reply. I am glad to know that you are interested in Florida, and also that you want a five-acre tract of land in Dixieland Park. There is no place on the face of the earth where you would be more welcome. This is the best land for trucking purposes to be found in the Gainesville area, which leads all others in the business. On two acres of this same land Mr. Wells of Gainesville in two years got about \$11,000.00 in returns from cucumbers and lettuce. This shows what the land will do if the crop is properly cultivated and marketed. Of course I do not say that you could do this at all as it would depend altogether on how hard you worked the proposition and how closely you attended to every detail of the work, but this shows what the land will do under favorable circumstances.

The price of these five-acre tracts in Dixieland Park is \$1000.00, payable \$200.00 down and \$200.00 per year with interest at 8% until paid for. As we are getting many inquiries regarding this property, it would be well for you to make definite arrangements soon if you want to secure one of the farms.

Yours sincerely,

Business Editor.
