trying for several months to find
another one & after a long corre-

her home with me as my own
wife all of which was accom-

have wanted for the last several
years to spend my winters in
Tela. & now I have one to go
with me on whom I can de-
pend & trust in everything. And
I want you to please tell me if
you think there is any good open-

I think I can do as good if not better dentistry than I ever did & I like the business & I think I would perhaps like to open an

office in Gansville or any
other place in Tla. if a better
one can be found to spend my
winters & summers too if profit-
able enough. I am fixed to remain
here temporarily until I can find
a good place prospectively in
Tla. If you can assist me
in that direction any or refer
me to anyone who can & will
I will thank you very much
for the information. We have

An early reply will be thank-
