Mr. E. C. Garman,

Stanford, Ky.

Dear Brother Garman:-

Yours of the 25th in reference to change of position in civil service from Kentucky to Florida has had attention. Upon investigation of the matter I am informed that there is no one in the local post-office who would care to make the change. I am very sorry, but I fear that you will not be able to make an exchange with anyone here.

We would like very much to have you come and locate in Gainesville, but I cannot at this time advise you to quit a position that is paying you \$1200.00 a year and come here on an uncertainty. I leave that entirely to you, as you know your own qualifications and ability to engage in other pursuits: I do know, however, that a great many people have succeeded well in this country in industrial pursuits, and I do not know but what it might suit you better to leave the Government service and go in for farming; that is, of course, a matter entirely for your own decision.

Yours fraternally,

Business Editor.
