Mr. E. E. Edwards.

Pascal, Ky.

Dear Brother Edwards:-

Yours of the 25th was received, and I am glad to know that you are interested in Florida. I believe that there is no part of the United States where the possibilities are better for a young man than in this section of Florida. As you may know, Florida is virtually a new State, and it is making more rapid advancement than any other section of the country at the present time, I believe. We have about 1200 miles of sea-coast, and the climate of Florida is such as to induce many people to come and live here. There are many opportunities for a young man both in agriculture and in financial fields of endeavor. If you have a good business education - which you doubtless have, having graduated from the Bowling Green Business University - I see no reason why you should not be able to get into a good position here.

Please let me hear from you, especially as to your qualifications for office work, and I may be able to locate a place for you.

Yours fraternally,

Business Editor.
