Dear Sir and Brother:

Your letter of November 23rd duly received.

In reply to your inquiry will say that I am 38 years of age, am married, and as to salary think that would depend largely upon the nature of the work to be done; also would be determined in accordance with cost of living, rents, etc.

I agree with you that it might be well to go down and look the proposition over and at that time I could go into details with you in regard to the matter. If I can arrange affairs here so that I can get away for awhile I will be glad to come down and have a talk with you. Will let you know about this later. In regard to my work in the church I can refer you to Brethren E A Elam, F W Smith, F B Srygley, S H Hall, all of whom I know personally and have been associated with these brethren in meetings in the capacity of song leader. I am also doing some work at present with the Cowart Street congregation of Chattanooga and can refer you to the elders of that congregation, B L Burnett, L H Payne, J J Green, and J R Anthony.

Will take the matter up further with you = *in a short time*

Fraternally,

A Clark
