Dear Sir:-

Your letter to hand and in reply will say, I thank you very much for the interest you are taking in me, and as to the time when I could come will say I can come most any time that you could secure the position for me, only I would like to have plenty of time to make preparation to come. I would like to know if the climate is good and healthful there, should I successfully get located there I believe it would be the means of my father locating there also.

Thanking you and Bro Larimore again for the interest you have taken in me.

I am yours truly
