Mr. W. W. Jones,

Burns, Tenn.

Dear Sir:-

In reference to your inquiry as to the possibilities of a man getting work here, will say that I believe there is work in and around Gainesville for any man who is competent and physically able to perform the labor. The price of labor here is satisfactory.

It is most likely if you have lung trouble the best thing you could do would be to get out into the open on a farm. You will find the climate here delightful, and it is very likely that you would be entirely cured of your trouble by making the change, although I cannot guarantee that, but I know of similar cases that have been greatly benefited if not entirely cured by locating here.

Yours sincerely,

Business Editor.
