Dear Bro, Lemire

Your prospectus
of your new Emma's Home
to Garrisonville, Florida, reached,
a few days ago. This was
the first I had heard
of your establishing a
school. I have been away
since Oct. at California Springs
N. Y. being treated for heart
trouble and have nearly
been home ten days -
I want to trouble you to
give me all the information
you can, as to climate, board
etc, if I should go South.
