Dear Bro. Borrey -

Bro Warren Colson called

and left his report of his labors the year showing the amounts received by him.

He said he had some bills that were due and could use what our congregation had for him. I told him I would hand this report to you & you will please look over it and keep it for Bro. Warren.

I presume it is generally understood that our congregation will sustain Bro. Warren in this work and that you would be fully authorized to pay funds from our Church Treasury to Bro. Warren for this work. I feel sure the Lord will bless our efforts in this matter and by Bro Warren devoting his time to the work that we will see the fruit of his efforts. According to what was suggested Bro. Warren should have something like 70 or 75.00 more from our congregation for this year.

If we are running short in funds I will make an effort to get the coffee table to come to aid.
