"HOODS ORIENTALS"

ATLANTA, GA.,

11-11-12.

Rev. T. B. Larrimore,
Gainesville, Fla.

Dear Sir:-

Are you going to erect a new college building ?

Why not use SHALE BRICK? They are so superior to Mud Clay Brick.

If interested, return enclosed card, and we will express prepaid, samples of brick desired.

You will find we are making the best brick produced in the South, and equal to the very best made in the North.

During 1911 we made great progress, and are now burning our brick by gas.

Experts say our Press Brick are perfect.

Our Wire Cut Impervious Brick will stand the severest moisture, ink and acid tests.

Hood's Orientals are rough texture, and produce as handsome and artistic wall effects, in design, texture and color, as can be woven into tapestry and rugs.

Prices are right, being much lower than equal quality can be obtained elsewhere.

You are guaranteed quality, speed, reasonable prices and satisfaction.

Call on our local representative who will be pleased to aid us in serving you.

Yours truly,

BMH/ABW.

B. Mifflin Hood Brick Company.
