Book Review: CLASS PEST

Harvey can't believe his good luck. He has been invited to Flash's birthday party and it is going to be a blast! But there's just one little problem: Harvey has to take care of the class pet, Pirate the Parrotfish. Pirate is known for creating chaos. Can Harvey have a good time at the party, or will taking care of Pirate ruin his fun? The text is simple and it is perfect for beginning chapter book readers.
