Book Review: VICTORY IS SWEET

Molly's mom will be remodeling the local arcade. When Molly heads to the arcade with her mom and plugs in her tablet, suddenly Vanellope and her friends are swept into the tablet and into the hands of Molly. They befriend Molly and help her with her go-kart problem. Molly is the first girl to join a Boy Scout troop because she loves go-karts and racing, and the scout troop is the only way she can race. Her parents talk with her about how being the first to do something can be scary. With Vanellope's help, however, she can accomplish her goals.

The Sugar Rush Racers featured in the animated film Wreck-it Ralph is a two-book series of easy chapter books. The books have black-and-white illustrations that enhance the stories.
